Organised by NMO Goraksh Prant

National Medicos Organisation

Our Story

Two doctors and a few medical students started this organization in the year 1977 (formally). The foundation was made on the welfare of underprivileged people. The team believe in "Work is Worship" and its strength lies in the principle and selfless attitude of the associated doctors.

Mission

Health service to Nation Service (Swasthya Sewa se Rashtra Sewa)

Vision

Our Vision is to create service-oriented, nationalist doctors who respect the Guru Shishya Parampara (teacher student relationship in the Indian sense) and respect the Bharatiya system of medicine.
